BTM Venue Ballot Rules

The following ballot rules must be adhered to, in order to ensure that ballots are run fairly and consistently for all British Tennis Members (BTMs) and across all venues.

Those who are able to access free British Tennis Membership as a result of their membership of a venue i.e. an affiliated BTM and as outlined in the [BTM T&Cs](#), must be included in a venue's Wimbledon ticket ballot ('BTM Venue Ballot') provided that they meet the criteria set in Rules 7 or 8 below.

1. All tickets allocated to a venue must be distributed to BTMs through a transparent and fairly run ballot and venues are not permitted to use tickets as rewards, prizes or benefits for individuals or to charge an individual fee for entering into their ticket ballot. Legal guidance as to how to avoid running an illegal lottery can be found: <http://www.lta.org.uk/major-events/grand-slams/wimbledon/ballots/ballot-administrator/>
2. Venues must not hold a secondary 'opt in / sign up' process, solely for the purpose of inclusion into their BTM Venue Ballot.
3. All tickets allocated to venues within the BTM Venue Ballot **must** be distributed in pairs and must not be split between more than one successful BTM. Any successful BTM in the BTM Venue Ballot must use the tickets for themselves with a guest. The guest can be of the successful member's choosing and does not have to be a BTM, or a member of that venue. Please note this is consistent with the approach of The All England Lawn Tennis and Croquet Club ('AELTC') regarding the allocation of tickets for The Championships.
4. Anyone who holds Affiliated Junior BTM and meets the eligibility criteria set out in paragraphs 7 or 8 below is eligible to be entered into a BTM Venue Ballot. Any successful junior BTM under the age of 16 must attend The Championships with an adult and be supervised appropriately.
5. A BTM may only be assigned a maximum of one pair of tickets through each individual BTM Venue Ballot.
6. Under no circumstances should tickets be given away or used outside of the venue's BTM Venue Ballot - for example as a prize in any raffle, tombola or other prize draw or given to a venue's staff, volunteers or coaches (excluding where such individuals are BTMs and are successful in the BTM Venue ballot) or to any sponsors or commercial partners of a venue.

Eligibility of BTMs

7. A BTM is eligible for their venue(s) BTM Venue Ballot if they meet the following criteria **by 17 February 2017**.

- They are an Adult (18+) or Junior (9-17) BTM
- They hold an active 'Affiliated' BTM
- The relevant venue(s) are linked to their BTM record
- They have **opted in** to the BTM ballot, with the LTA

Only the registered BTM, or their parent/legal guardian is permitted to Opt themselves In to the Ballot.

8. Individuals who become BTMs after the 17 February 2017 are eligible for their venue's BTM Ballot Venue provided that they meet the following criteria 24 hours before the relevant BTM Venue Ballot is due to take place:

- They are an Adult (18+) or Junior (9-17) BTM
- They hold an active 'Affiliated' BTM
- The relevant venue(s) are linked to their BTM record
- They have **opted in** to the BTM ballot, with the LTA

Only the registered BTM, or their parent/legal guardian is permitted to Opt themselves In to the Ballot.

9. A venue's allocation of Wimbledon tickets for their BTM Venue Ballot will be calculated according to the number of BTM's who satisfy the criteria set out in rule 7 above by 17 February 2017. Any new BTMs who satisfy the criteria set out in rule 8 above after the 17 February 2017 are eligible to enter the relevant BTM Venue Ballot however, for the avoidance of doubt, they will not be included for the purposes of calculating a venue's allocation of tickets for their BTM Venue Ballot.

10. Child BTMs (8 and under) are not permitted to enter a BTM Venue Ballot and these BTMs will not be considered in the calculation of a venue's allocation of tickets.

11. Any members of a venue who are not BTMs affiliated to that venue are not permitted to enter that BTM Venue Ballot.

12. If an individual is a member of more than one venue, provided that they meet the criteria set out in rule 7 or 8 above, they are permitted to enter the BTM Venue Ballots at each of the venues where they are members and therefore could be successful in each BTM Venue Ballot.

13. If the BTM Venue Ballot is held during an event and an eligible BTM is unable to attend, then their name **must still be included** within the BTM Venue Ballot. The BTM may nominate another BTM or a member of the Management Committee at the venue who will be present at the ballot to act as a proxy and accept any tickets on his or her behalf. Individuals who appoint a proxy to accept the tickets on their behalf must have an equal chance of being successful in the ballot as any affiliate BTM in attendance. If no proxy has been nominated

then it is the responsibility of the Ballot Administrator to ensure a pair of tickets is assigned to the member if successful.

14. Once tickets have been purchased by a BTM they cannot be transferred. In the event that a member has purchased tickets and does not wish to or is unable to use any tickets issued to them they **must notify and return the tickets as a pair, for a refund to the LTA**. Whilst the LTA will normally accept and refund the price of such tickets (provided that the tickets are returned at least 24 hours before the date for which such tickets are valid), the LTA shall not be bound to do so. In the event that tickets are returned to the LTA before the 19 May 2017 BTM Venue Ballot deadline, then in most cases the venue will be given the option to re-ballot to another eligible BTM.
15. Venues must run their BTM Venue Ballots within the timeframes set out by the LTA.
